I understand that Federal Direct Loan funds are Federal funds. In order to be eligible, I must be seeking a degree, enrolled in at least six credit hours and be meeting SouthArk's Satisfactory Academic Progress Policy. All the policies and procedures for Federal Aid also apply to Federal Direct Loans. Federal Loan funds do have restrictions on their usage. Loan funds must be used for education expenses only, such as tuition, fees, books, room and board, etc. I understand that I must complete the FAFSA and loan packet each academic year in order to apply for loan funds.

I understand that in order for SouthArk to certify my loan request, I must also complete a Master Promissory Note (MPN) if I have not done recently. The MPN can be found at www.studentloans.gov. I must follow the instructions in order to complete the e-signature process. Failure to e-sign the MPN could result in a delay in processing this loan request and/or receipt of funds.

I understand that the loan proceeds will be disbursed in at least two disbursements. I will receive a disclosure statement that notifies me of my anticipated loan disbursement dates. The first disbursement will be early in the semester and the second will be no earlier than the 50% point of my period of enrollment that I selected on the reverse of this form. A Notice of Disbursement Memo will be sent to me with the specific amount and date of the disbursement. It is my responsibility to check in the bookstore **no earlier than 5 to 7 business days after my specific disbursement date noted on the memo** to see if my check is ready to be picked up.

I understand that once the school has received my loan funds, I **MUST** be attending **AND** participating at least half-time (**6 hours**). Failure to either attend/participate half-time or to pick up my loan funds will cause them to be returned.
